

**BIG 12 NUCLEAR ENGINEERING
FALL PROGRAM SEQUENCE
ALL ME 390 COURSES - - USING TITLES BELOW**

Introduction to Nuclear Engineering (1 credit)

ME 390 - A	Principles of Nuclear Engineering Offering institution: Texas A&M University	1 credit	Pr.: None
------------	---	----------	-----------

Survey of Nuclear Engineering (3 credits)

ME 390 - B	Elements of Nuclear Engineering Offering institution: Kansas State University	3 credits	Pr.: Calculus II
------------	--	-----------	------------------

Nuclear Energy Systems (3 credits)

ME 390 - C	Energy Systems and Resources Offering institution: University of Missouri	3 credits	Pr.: Junior Standing
------------	--	-----------	----------------------

Nuclear Reactor Theory (3 credits)

ME 390 - D	Nuclear Reactor Theory Teaching institution: Texas A&M University	3 credits	Pr.: Spring Course - - See Prof. Umholtz
------------	--	-----------	--
