

**BIG 12 NUCLEAR ENGINEERING
SPRING PROGRAM SEQUENCE
ALL ME 390 COURSES - - USING TITLES BELOW**

Introduction to Nuclear Engineering (1-3 credits)

ME 390 - A	Introduction to Nuclear and Radiation Engineering Concepts Offering institution: University of Texas-Austin	1 credit	Pr.: None
ME 390 - B	Utilization of Nuclear Technologies in Society (or "Fulfilling Madame Curie's Dream") Offering institution: University of Missouri	3 credits	Pr.: None

Survey of Nuclear Engineering (3 credits)

ME 390 - C	Elements of Nuclear Engineering Offering institution: Kansas State University	3 credits	Pr.: Calculus II
------------	--	-----------	------------------

Nuclear Energy Systems (3 credits each)

ME 390 - D	Radiation Protection and Shielding Offering institution: Kansas State University	3 credits	Pr.: ME 390 - C
------------	---	-----------	-----------------
